

GRAMS INSTEAD OF KILOGRAMS

ORIGINAL TECHNICAL PUBLICATIONS

Finally it is time for Volvo Cars Heritage to present Original Technical Publications - Volvo Service and workshop literature transferred to DVD. It means that a small disc replaces kilos upon kilos of paper when you need to work with your classic Volvo or order spare parts. The OTP range consists of all available service, workshop and parts literature for all Volvo models between 1927 and 1999 divided on 11 discs. For our complete listing please see below or for more information about Volvo OTP's please view our online demo (<http://otpubs.com/demos/volvo/TP-10449>) or contact info@otpubs.com.

We are pleased to be launching our first four titles (including the P1800) at Techno Classica 2011. The remaining titles will be available from August 2011. All titles will be available through the Volvo Dealer network worldwide and through Volvo's Technical Information Shop www.volvocarstechinfo.ford.com
